“ *Paul was friend and a brother to me. He helped me out many times from coming all the way out to williamsburg to pet sit my cat while I was on vacation to helping me mow my lawn since he had a riding lawn mower and i didnt. We would share a few beers may a times 'corona was our favorite 'to sharing laughs and going out for mexican food. We had cookouts together and rode around on his dads golf cart and played fetch with his beloved deuce for hours and hours on end. Paul was someone I could trust and was a rare soul. He was a friend like no other and I pray for those he has left behind to find peace and comfort knowing its just a short while until we all meet again. Thank you paul for the wonderful memories you have left me with paul. 💕💕*
