“ *Paula and I became friends while working together. She was such a blessing to have as a friend. I was shocked to learn of her passing. We kept in touch even after she left the State.*

I told her after Darrin passed there was a saying that helps cope a little and I know she would want me to share it to help her loved ones when they think of her

“Don't cry because I'm gone, smile because I was here”. She loved hard and her family was everything. Jack and CJ you were her life.
