“ *I remember when Penny came to the hospital to visit me. I was waiting to be released and not wanting to wait. She said she would get the nurse and she would get me out of there! I had to laugh because her husband was at his Dr. appt. and my husband wasn't there yet. Penny was the type of person that even tho she hadn't seen you for a long time would make you feel as if it was just yesterday! She would give you the shirt of her back without question. The Angles have a wonderful lady in Heaven and she sure will be missed by her Family and Friends! RIP my FRIEND!*
