“ *My prayers are going up for Randy's Family. Randy was one of those regular guys that was easy to talk to and become friends with. Our 4 years at IWU were never be forgotten. We played a lot of golf together and had some crazy nerf baseball and basketball games together. We will miss you, Randy!*

“ *My deepest condolences to Randy's family and friends. I had a lot of fun running cross country with Randy at IWU as well as hanging out with him while he was roommates with my brother both at college and at my aunt and uncle's house while they worked for my uncle. Praying for peace and comfort for his loved ones.*
