PRayers to the family, especially MAryAnn and Robert. They did all they could to make sure Rick was taken care of. HUGs to them both!!❤️❤️CATHy and Russ Milby*

“ *Mary Ann,*

*Was so saddened to read Ricky's obit this morning. Seems like yesterday we moved to Tallula and your family lived just around the corner from us. As you know Rick and I were in the same class in Tallula for 5th and 6th grade and later my daughter worked with him at the Nursing Home. Just wanted you to know that I was thinking about you and your family and remember years gone by, your grandma Nellie and your parents and of course Ricky, (as we called him back in those days). Hope you find comfort in knowing that I have many fond memories of Rick and your entire family. Thoughts and prayers for your family.*

*I am so sorry, my thoughts and prayers are with Rick's family. Rick and his parents use to go to church with my parents many years ago, at the Baptist church in Tallula. Rick was a nice guy, I saw him often at the high rise, when my dad was living there. May God give you all some comfort and peace during this time.*
