“ Wanda I am so sorry to hear of Rich's passing. I don't get a Monday paper anymore and just happened to see mention of it on f.b. It doesn't seem possible that the good buddies are both gone now. It seems like not that long ago they were out hunting and trapshooting together. Where did the years go! I know you have alot of family to help you through this sad time. Remembering the good times, hanging on to the wonderful memories you made together will help. I will see you for funeral since I don't drive after dark much anymore. Love you and will be saying special prayers for you all.

“ I remember when we all started going to Springfield, Mo together and he thought it was funny to call all our rooms at 5 AM and give us wake up calls . He said he was up everyone else should be too!! This man is/was very special to me and will forever live in my heart. I can see him in his recliner with Princess taking it easy. Love You Uncle Rich.
