I met Dick shortly after his wife passed away over 8 years ago. His brother, Bill is my fiancée now. Dick was so sad and depressed. He moved to Florida. When we visited him several times he was a different person. He finally had a sparkle in his eyes again and a quick smile. Thank you Janet Bruck for giving his last few years such a happy time and enjoyment. It made Bill and myself so pleased.

Dick and Mae were part of my family for over twenty-six years and both were wonderful, strong people. I am fortunate to have had them both in my life.
