“ Bob and I were childhood friends until my family moved away when I was 9 years old. I'd see him occasionally as a teenager when I came back to visit my grandparents, but I think the last time I saw him was the summer of 1985. He was a great guy. I'm sorry we didn't stay in touch...but...you always think you have plenty of time...until you don't. My heart goes out to his family. ❤️
