“ To the Family of Doc,

I came to know him as my Dentist like many and he put up with my fear WOW. as he seen me through adulthood and teeth I won't ever forget his kindness and understanding.

I was able to get to know him outside the office as a bowler and loved sharing that time with him. He and his wife made the corner of Promenade and Laurel look so welcoming as people drove by and passed the garden of veg and beautiful flowers. He as a person will be missed . He always said hello to me and was so nice. The world has one less gardner but how Beautiful he will tend the garden of Heaven.
