“ *Uncle Bob was one of my favorite people. I am so very glad that I was able to come see he and Leona recently in their home. He was so happy to see us and I will remember that visit for the rest of my life. He particularly enjoyed visiting with my wife Renee, and our dog Zoey. I will miss him very much and I am sure he is enjoying being reunited with his brothers at this moment. All my love,*

“ So, after all this time, I never realized that Bob and my brother, Frank, shared the same birthday! Spent lots of time over at Bob and Leona's when I was a kid and lived in San Jose. I remember how Bob worked so hard rescuing the piano and other things that were damaged in the tornado that took their house so many years ago. Sharing his army reunion stories. Sad to lose another member of the Greatest Generation. My prayers for peace and comfort for Leona, my cousins, Mary Ann, Janet and David, and all the grand-kids and great-grand-kids. What a legacy he has left the world!
