“ Bob was one of my early broadcast heroes. I once toured KXOK back in it's heyday in Radio Park and he certainly could have ignored me. After all, I was probably about 12 maybe 13 years old at the time but, he took the time to talk to me and showed me how a newscast was put together. The broadcast world has lost a legend. Bob, you will never be forgotten and always be remembered. May you rest in peace. My thoughts and prayers are with Bob and his family and friends.

“ Another wonderful memory of Uncle Bob comes to mind. He stood in as Dad to walk me down the aisle for my first wedding. There's a funny story about the tuxedo's that many might not know about. Glenn picked up his tux late and didn't check it. He realized that he had Uncle Bob's shirt as he was dressing at the church. Fortunately for us, Bob had checked his shirt earlier in the day and exchanged it in plenty of time but Glenn had to race to the store at the last minute causing a slight delay in the service. Uncle Bob was unflappable and said not to worry. He was such a dear and will be greatly missed.

“ Will always remember those Friday and Saturday evenings in the 60's when our family visited Uncle Bob at the Paradise Inn to eat turtle soup, fried catfish and that great cold slaw. And then if we were lucky, Mom (his sister) would let us have some fun playing pool. Bob was a wonderful role model and will greatly be missed.

“ Aunt Bette....I am so sorry to hear of Uncle Bob's passing. He was such a dear man...I always enjoyed every time we could get together. I can still remember your wedding day...one of my earliest memories. Such a wonderful team. And I remember how supportive he was of all. I particularly remember you both coming to Decatur for a concert I was part of in 1990. That meant so much to Nancy and me. I am just glad I was able to see you both just after Christmas in 2018. His smile was and peaceful way was as prominent as ever. You are in my prayers. I know Nancy joins me in sending all of our love.

I enjoyed my visits to your home visiting you guys and Friday nights at the bar for fish dinners. Prayers and hugs! Love 💖 Teresa Lynn

“ Dear Aunt Betty and Family, Such a loss of a wonderful man. I will never forget a cross country trip with Mary Lou when coming home Wichita. She got me to Kilbourne in time for lunch at the Paradise. Bob fixed a delicious Tenderloin for me and we had a wonderful visit. I also remember traveling with him to see Logan and we talked about his Military adventures. I loved talking with him.. I send my Deepest Sympathy and my love your way. Janet Held

“ Dear Aunt Bette and family,

I want to express my sincere condolences for your loss of a wonderful man, who will be missed by many, many people, including me. He will not be forgotten.

As a child, I loved visiting you and Uncle Bob at your home in Kilbourne, and going to the Paradise Inn’s “Famous Friday Night Catfish Fry.” What a treat it was! But, what made it so special to me was how nice Uncle Bob and you were to a fatherless little girl. I had so much fun seeing you. I always got a hug and a smile.

In college, I was the only one with blow-up Whiskey Bottles hanging from my dorm room ceiling that Uncle Bob had given me to decorate with. Everyone thought my room was so cool back in the 70’s. To me, whenever I looked up, I would remember my kind uncle and aunt and visions of home and family.

I even brought my first “serious” college boyfriend back to meet Uncle Bob (for his approval, of course). I also missed the tenderloin sandwich that I could get nowhere else, but prepared just the way I liked it, by my Uncle Bob.

The world has lost a Great Patriot today – so few of them are left. He fought the good fight for his country and for his family. Our Loss – Heaven’s Gain.

“ Dear Bette, We have been thinking about you. We have many wonderful memories of being with Bob. The most recent was visiting him in the nursing home when we sat with him and he took both of our hands and shared stories and memories of when he was in the service. Another important memory was you and Bob visiting our daughter when she was in the hospital for such a long time. We cherish these and other moments that we shared with Bob. “ Bob was a very kind man who I admired greatly. Growing up in Kilbourne, I realized how much he supported school projects. If we held a bake sale he would always say, "Bring me something. Doesn't matter what." If we held a car wash, he would say, "Come get my car and wash it." I will very much miss seeing him.
