“ *I am so sorry to hear of this and send my prayers to his family. Echoing what my brother Larry said, Robbie was one of the first guys I met when we moved to Mason City. As a "new kid" at the time and having moved around a lot in a military family, it is always a great moment when someone is kind and thoughtful enough to reach out to you and make you a friend. Robbie was the one who did that for me and for a season in our early lives, we were close friends. Time passes and I have long since moved away and lost touch, but will always be thankful that there were people like Robbie in my life when I needed them. I remember a kind hearted kid that I shared a lot of laughs with a long time ago. God Bless your family.*
