“ *Roberta and my mother met for the first time 71 years ago when Ann and I were born a few days apart at St. John's Hospital in Springfield. Our families have remained close friends ever since. Both Roberta and Johnie were terrific people who were always kind and caring. These characteristics were definitely passed along to their children. Special thanks to Alan, Lynn, and David for the excellent care they provided to Roberta over these past few months.*

Thanks for the many memories, Roberta, such as apple dumplings, fresh strawberries and cream, and sausage gravy with lots of black pepper, to name just a few. May you rest in peace.
