“ Rocky was such a sweet man. We had lots of good times talking to him out on our deck in the summer. We will miss him very much.

“ Rocky was always a kond, sweet guy. He helps us out countless times and we where honored to help him out when he rarely needed. He was always out in his garage tinkering with something. Last time I saw him I ran into him at fast stop and he had asked how the kids were doing we chatted for a short while and off we went onto the next errand. While I know it was his time and he is no longer in pain, the amount of weight we feel with him gone now is certainly heavy. Until we meet again. Tell Miss Betty hello. You will ve missed so. Rest in peace dear friend.
