“ So very sorry for your loss! I can't imagine the grief and shock you are experiencing right now. I didn't know Sarah well but I know she had a wonderful loving family! Please know I and many others are praying for all of you and may God bring all the wonderful memories to the forefront and begin to dull your pain and anguish. Michelle, you were a wonderful big sister and took great care of Sarah, and now Carison, so please let me know if I can help at all! I love you and am here for you anytime you need me!
