“ Sharon was the best, I have so many memories of her I don't think I could share all of them. Sharon and my mom was friends for so many years, she was actually playing bingo with my mom the night my mom was in labor with me. I would go so many places with Sharon and my mom bingo was my favorite place to go with them. My condolences to all the family.

“ My sympathies to Sharon's family. Memories of my childhood are filled with Sharon & Dixie. Riverview School & running & playing in the neighborhood of the South end of Havana was an every day & night activity. I can't think of Sharon without a smile on my face. She was a dear childhood friend.

“ My heart breaks for her kids and grandkids I've always loved Aunt Sharon and Uncle Wayne! She is why I have a shoe fetish lol always remember as a kid camping with her and Uncle Wayne , she would purposely bring all her shoes just so I could "be fancy" as she would say wearing them around the camp site. So many good memories with those two! She will missed!💔💔💔 Now there both together
