“ My deepest sympathy to Darlene and the girls at the loss of such a beautiful sister and mother. I had many good times with Sharon during the years we lived in Manito. She was my first and very best friend in the area.

“ Your Mom and Dad were the leaders of the Diaconate when we began our training and they were leaders, friends, and mentors to all of us. Your Mom had a great sense of humor. We really missed them when your Dad passes away during our training. We really wish we could be there today and tomorrow but we have been taking care of sick family members and it just won't happen. Please know that all of you are in our prayers. May God's blessings be with all of you. Deacon Larry & Audrey Honzel - Class 6

“ *Woiwode family-
So sorry to hear of the passing of your mom, grandma and great-grandma. I will never forget that endless smile. It was always nice to visit with her when she came to St. Mark's for one of the kids activities and most recently behind the lunch serving line. Beautiful women-cherish the memories.*

“ *Sharon was always kind and helped tremendously at church functions for St. Anne's. It is with deep sympathy I write as she loved Jack a sweet Japanese Chin until she could no longer take care of him. Ironically Jack had a previous family who the mother was Sharon also and passed away. Jack connected right away with Sharon. I am deeply sorry for the loss of a woman who cared for others and St. Anne's even through the dark times and struggles of life and what transpired recently from the church trials. She would take care of the church sales without question and tirelessly. Heaven truly received an angel and she is with God living without pain.*
