“ I only have one memory of Shawn it was last November When my husband and I visited Tallula. I had the great pleasure of meeting Daryl and Gwen's lovely children. I remember Shawn as a very bright young man and full of energy. I'm so happy I had this chance. R.I.P. Shawn. Thanks for the chance to meet you something I'll never forget. Sincerely Roger and Tam

“ *I haven't seen Shawn in years until one day I ran into him at Ace we had a great talk and laughed at the silly things we did when we were kids, I lived just a block from him and every evening we would get out our flash lights his bedroom window and my bedroom window faced each other we will blink our flash lights like morris code but neither one of us knew what each other was saying. We laughed about that it was really great seeing you again my friend and I had wished I would have gotten to see you more. Rest easy Shawn I will always treasure our flash light days. Love and miss you*

“ Shawn was such a great kid when he sat in my classroom many years ago. He was easy going and wasn't too crazy about school but he was always a gentleman in my class. He didn't say too much but whatever he said showed thought and deliberation. I was very fond of him. I am so sorry to hear of his passing at such a young age. You have my sincere condolences and best wishes. Blessings to his family, Judy Hurdle
