“ *Tracy and Brian, I am very sorry to learn of your mothers passing. As you know, I worked with your mother for quite some time while driving a bus. Sherry was a very good person and friend. “ *Sherry could always make you laugh with her stories from driving the bus, and that is one of the many things about her that will be truly missed. I always loved seeing her out walking Willy and catching up on the news about town. She was a wonderful lady, and my family sends our sympathy in this difficult time.*

“ Sherry and I met when our boys started Kindergarten together, they are 36 now. We did a lot of things together and even were bus drivers together. Sherry has to have been the most giving woman I ever met. She helped everyone and she loved her kids and her Grandson Tyson more than words could ever say. She will be a smile I will miss forever. She was a best friend, the kind you didn't have to be with every day, but you knew she was there if you needed a friend. Goodbye my friend until we see each other at the pearly gates. I know you will be there to welcome me to paradise.
