“ Dear Marcy, Mindy and Families,

I am deeply saddened by the loss of your mother. I always thought of your parents as family. I have so many fond memories of her and your dad. Joann was one of a kind and such a sweetheart. I pray you find peace knowing she is free of her ailing body and in a much better place. She will always live on in your hearts and memories. Love and prayers to you and your families to give you comfort during your time of need.
