“ *My mom always talked to people, knew everyone. She had a lot friends, loved family gatherings, even to the end the nurses would tell stories of her bus driving days. Mom loved going to church, and Hill Billy church in Atterberry. Loved her old music. My mom was one of a kind, and had a arony streak. Now she is perfect in heaven!!!!If anyone feels a slap on back of the head its her , Remember all the fun times we had together, lots of memories*
