“ *Lois, Jason, and Mathieu,*
I was shocked and so sorry to hear that Steve had passed away. I guess I didn't get out of the house that week or surely someone would have told me! So sorry to have missed the visitation. I remember when I was living over by the pool with Ryan, any time he went by and I was outside, he would always stop and say hi and chat for a bit. He was never too busy to be friendly! Or if I were on my bike, he would always have to make a comment as he rode by!! He was always very sweet to us and I will remember him for that. Please accept my condolences, all of you.

“ *So sorry to hear about Steve. I only met him about a month ago, though my husband has known and thought so highly of him for awhile. He was such a kind man and I feel lucky to have met him. He had a love of life and was so proud of his farm. It seemed everyone around him thought so much of him. What a testament to a life well lived. Prayers to all in this difficult time. Condolences to the entire family. I met Steve when I worked at MDH and he was of course on the police force then. He was always so courteous and polite and Pam worked there too. I considered them both good friends and not just co-workers. Later I rented from his mom, Doris, and I thought the world of her and Ray. They were the best. My prayers are with all of you. May God Bless you!
