“ *My aunt Susie babysat my siblings and I when I was just a little girl. My favorite memories of her are watching her put her makeup on as I would mimic her in the background, and then when she would paint my fingernails. Another funny memory I have is when she would pin a dish towel on our rear ends whenever we would tattle on one another (tattle tails!). Lol We made a game out of it, and had a lot of laughs. She was a beautiful woman, and will be dearly missed. I love you, Aunt Susie! Rest easy in Heaven with Jesus! <3*

“ *I went to her Senior Prom with her because she didn't want to go alone. She was so hilarious and we laughed all the time. I can still remember her saying nunya when you asked her something. I really wished I would have gotten to see her when I came to Havana and stopped at Casey's but she had left already. Rest in peace Susie and I love you!*
