“ I just learned of Terri's passing. Our brothers were best childhood pals. Terri and Kathy were our babysitters. I remember the girls had horses with a barn at the end of our street. There was a Shetland pony "Sugar", and a beautiful shiny black horse. I believe "Radar" was his name. Both Terri and Kathy were such kind and lovely girls. God bless your families. “ Our hearts go out to you and your family, Roger, for the loss of lovely Terri. She was big-hearted when it came to animals, especially the cats that share your home. Terri enjoyed sharing a wealth of knowledge about antiques, the rocking horses and carousel animals that were such a passion. So sorry for your loss during this time of sorrow and wish you healing that dear memories can bring.--Sue and Howard Tin

“ *Hard to know what to say about the loss of a sister. Terri was a free spirit who lived life the way she wanted to. I pray she is with our LORD and we will all be reunited one day. I gotta believe that for any of it to make sense. Prayers are with the Callaway Family.*

“ *Roger and family~ my condolences on the loss of the matriarch of your precious family. She was the mother of my friend Jeremy and even though I did not know her personally. I knew her from knowing her son for over 30 years. She raised a kind hearted, caring person and I can imagine she was even so much more so. What Angels she and Jeremy must be...Kara*
