“ We remember Terry from the good old days when our kids were small. In fact, our son caught the chicken pox from his son. The years pass so quickly. We were very close friends with Paula. Our prayers for peace and comfort go out to all the friends and family during this difficult time of loss. Sharon and Billy Joe Servis

“ *My deepest sympathies. Terry was a good person. We bought our first van from him. He came into the store I work at regularly and we would always chat.*
