“ *Our thoughts and prayers are with Ted's family at this time of bereavement. Dulany and I knew Ted through the photography group, especially eagle watching. We also helped celebrate one of his birthdays at the Havana Riverfront with Deb Bohm and all his friends. R.I.P., Ted ... it was nice knowing you!*

“ So Sorry when getting on FB a couple of days ago, and see you are no longer with us Ted! You will be soooo missed in your community, but also from a Kansas Gal that never meant you in person, but admired your work and tried to help support you thru some of your tough times in the last couple years. Wish I knew how to get those tree prints, we talked about!!? RIP, TED CONNOLY!! #BestPhotographerEver
