“ Pat was truly the definition of selflessness and compassion. He set a fantastic example for all people to follow. He was kindness. He was laughter. He was an absolute joy. Pat's light will continue to shine through every person he touched in his life. He helped shape some amazing people, most of all his son, wife and grandchildren. You all helped shape him too. His life will add to our world forever as everything he taught and everything he rubbed off onto people will continue living through them and be passed on and on and on. My prayers are with your family through the pain of loss. My heart hopes you will continue to see him in yourselves and others in this life and that you will find happiness and comfort in that. Thank you for sharing Pat with us, Beaty family.

“ My boys and family just adored Pat. One of my favorite memories was captured by Pat and was a photo of my son in a big iron kettle of Pat and Jane's in their driveway. I will hold on to that photo dearly! You and your stories will be truly missed Pat. Say hello to my father in Heaven!!

“ Pleas accept my sincere condolences on the loss of your dear loved one. Losing someone you love is a very difficult thing to do. Our heavenly Father whose name is Jehovah (Psalms83 :18)cares for you. 2 Corinthians1 : 3,4 tells us "God is the Father of tender mercies and the God of all comfort who comforts us in all of our trials.We have a promise of a resurrection at John5 : 28,29.Jesus said "All those in the memorial tombs will hear his voice and come out to life".What a wonderful hope for ! All these things are found in God's word. I hope these scriptures will bring you some comfort.

“ Jane and Aaron and family, Thinking of the family during this difficult time. I so enjoyed my friendship with Pat. And I will miss hearing his many stories! He was always willing to teach me something when we worked together at HCR. And his joy of antiques was something else. He also taught me a lot in that department too. His love for his family was also well know. Aaron he was so proud of you and your family! I am thankful that this chapter for him is now over. It was not going to be easy to go through for anyone. May my dear friend Patrick RIP. Jane I am so glad you did retire and had these last couple of years with each other. Sending hugs to you all! Sincerely, Holly
