“ My dear sweet uncle...this is so unreal. We spent a lot of time together as I was growing up...I was always with your kids...running in and out of your house all Summer long and eating all your food! You treated me like one of your own but would sometimes ask after a long stent...."Are you still here?" Haha! Your sense of humour was unmatched. I looked forward to the Holidays and hanging out in the garage hearing your stories and telling jokes. You are missed tremendously and always will be...Rest Easy Uncle, with love,
Stinky
