“ I remember when I first started hanging out with Trent. We would ride our four wheelers up to the levy by Sanganois River and get slightly buzzed, enjoying life as young teens with no cares in the world (even though it was not the smartest thing to do). I will always cherish his friendship and will most definitely miss his giant (slightly obnoxious) laugh that echoed throughout our close friend group.

“ I am so sorry to hear of Trent’s passing. I remember him as a smart, fun, good-natured boy in my 2nd grade class. Then I saw him all grown up playing basketball his senior year. My sincerest condolences to his parents, children, and all of his family and friends.
