“ I just happened to have stumbled upon this. Doug, I hope you're doing OK; Val was a bright asset to our Forman Ambulance team. She would go out of her way to help the cause. So sad. Godspeed Val.

“ Hello Valerie. I know your in a good place and noone knows why this has to happen and that yiur not in anymore pain. We grew up together when I can't remember how old I was and lived with you aunt Pam my back then uncle Chuck your sister Angie me my brother Gary and my mom Maggie. We lost touch over the years and I can't believe your gone and we had so much fun back then growing up the road trip with missie when we came to illnois. And all the junk food we ate. Hard to believe yor gone. Prayers to your husband Doug and your kids and grandkids. Fly high with aunt Pam and well say hi to my mom and Gary too. We had a lot good times and laughs as kids and I wish we would have stayed in touch. But people part sadly and find their own path in lives. So 😞 and will be missed by many and that your sister Angie will fill her heart with love through this difficult time. Prayers to all who knew her and loved her. Oh remember that big spider on the wall..omg! Much luv well always called each other cousins. Take care and r.i.p. sincerely.....Jennifer hogan and family
