“ We have nothing but the greatest of memories of Vera. We truly considered her to be a part of our extended family down here at the Dairy Queen in Gulfport, MS. She and I spoke just a few short months ago regarding the loss of my mother. I'm sure that Vera and my mother have already exchanged a few words and a lot of laughs together up in heaven just as they did years ago around the back corner table in the DQ lobby. Our sincere condolences go to the entire family at this time. Thank you for sharing her with us.
