“ So sorry to see this, Larry.... What memories I have of being welcomed in your mom and dads home. ALWAYS a smile to greet me through the years... LUCIOUS desserts that were shared at our homes and church. Smile every time I go on the route by your folks home. Precious, precious people. I'm sad I won't see them again here on earth. Mom and dad had some wonderful friends through the years and yours were some of the best. I pray that God holds you close at this time of grief and let's you know how much HE loves them and you. In Jesus name

“ Verla was a great person and friend to my family. She was always so kind and supportive of my archery career, even allowing me to practice on the hay bales in her pasture when I was a young kid. Her love and presence will be missed and my heart goes out to all of her family.
