“ *I was blessed to have cared for Verla during her stay at TCV. She was a wonderful, loving woman and she became the grandmother I never had. She gave so much more to those of us who cared for her than she ever got from us. Thank you for the privilege of taking care of this wonderful woman. Verla, I love you, I will miss you and RIP*

*What a joy to have known Verla in the past year and a half. I learned so much from her about hospitality. She was always making sure I was comfortable and would offer her snack, and to share her lunch. Bill and I loved her and are rejoicing in the knowledge of where she is. She will be missed. Our deepest sympathy for your loss. Jeri Dennis*
