“ *And Vic too, not just Mark, Judy, Roy and Eddy. Others cycled in and out as well. We also played with ants, building dams and waterways and diverting their paths. Good times.*

“ *Vic was one of my first friends. It makes me so sad to hear this. I always thought there was time to talk again. Mark, Judy, Eddie Ray and Roy Dean all had our own special trees we climbed in our little forest. We would catch fireflies, try to count the stars, watch Gilligans Island and the Beverly Hillbillies and listen to records. Vic always reminded us of what a great childhood we had. Peace to all.*
