“ Mark, Julie, Chay and families,

I am so very sorry for your loss. My heart breaks for you.

Vicky was a very special person. If you met her, you had a friend – for life. And you were welcomed into her “family” with open arms. Her smile and laughter were contagious. You couldn't be around her without smiling and laughing yourself. Her enthusiasm for life and her energy were incredible. And her love for her family was undeniable. Family was everything to her.

May you gather strength from each other during this difficult time. May your memories ease your heartache. May you always feel Vicky's love for you.

*Vicky, my dear “old” friend, I love you and miss you.

“ *Vicky was a very dear friend that will be deeply missed. She was always the person I could count on having my back. A shoulder to lean on when needed, and someone to share life's joys. Vicky always had time to talk, and always had a positive attitude even when life threw her a curve. A smile on her face that would light up a room. A person that treated all people with respect and dignity. With a few caring words and a smile she could make things better. Her sense of humor would make me laugh often. I never knew anyone that cared about their family and friends the way Vicky did. My thoughts and prayers for the family. Tom Coats*

“ *Vicky was a great friend, coworker and mentor to me. Her endless energy always amazed me. She helped me so much over the years with work issues, life issues, and always had great advise. I already miss her deeply. Her love for her family was an inspiration. I'm not sure if I have ever known a tighter one. She loved all of you so much and I loved catching up on what everyone was up too. Thank you for sharing her with us all these years because she made me a better person.*

“ *Vicky was a mentor for me at Ameren and the first to take me under her wing when I joined the safety team. We had a lot of fun times, many long chats about kids and life. Her love and adoration for Julie, Chay and the grandkids was present in everything she did. She was so very proud of you all. We are not the same without her, but we will continue on in her honor. She was the hardest working person I have ever met. We miss and love you Vicky!*

“ Julie, Mark, and family -- I am so sorry to hear about my dear aunt Vicky. She always had a smile and a wonderful laugh. Will never forget the times she and Julie would come visit my family in Washington, and we'd go out to eat, or whatever. Even better are the memories of visiting Vicky and Julie and the whole Ragle family at the farm. Hanging in my house are photos from that time, one of them with the Ragle and Thurman families near a field. Years ago, I would often see aunt Vicky downtown Peoria during lunch. Recently, my wife, Lorie, worked with her at Ameren. I only visited her and Mark at their house a few times in the early to mid-90's. Wish it was more often. Without a doubt a big loss to all of us. Love, Mike Thurman (Lorie, Emily & Ella)
