“ Liz, Kim & Family - We are so sorry to hear about the loss of Vince and his wife. We can't even image what your family is going through. We watched Vince grow through his school years and wrestling with my son Dusty. He was always such a nice, pleasant boy and he grew up to be a good father and husband.

“ Met Vince when he came into the Oakford post office. Such a young gentleman. He had an infectious smile and a beautiful personality. Not many young people have the heart and soul like Vince did. He will be sadly missed but never forgotten. My heart goes out to the families especially those two sweet boys of theirs. Prayers to the family

“ My thoughts and Prayers go out to the whole family. I can not imagine what you are feeling. My heart especially goes out to Sawyer and River. I am sure their parents are in heavy hugging them right now.

A special note to Lisa and Wanda. Jolene was very special person with a great heart and soul. I still remember how close her and David were in school. David was so happy for her when she married Vince. Sending hugs to all of you. My heart is with all of you.
