She protected me when I was a little girl and felt all alone. She was more like a big sister than my aunt. She was the last member of my family. I will miss her dearly

“ Our condolences to all the family. Virginia was a beautiful woman. I fondly remember her watching children in the daycare room at church and rocking the babes. She was so patient and kind with them. So grateful to have been able to visit with her the last couple of weeks. His bless. Lisa and Todd Owens.
