“ *The home we lived in growing up didn't have a basement so Mom would take me and my brother to stay at Grandma Hall's house if there was a chance of storms to stay all night. We always loved that and Aunt Viv (Aunt Fifi) was always there. She was always lovin on us and all of our baby cousins too. She really loved her family and especially the kids. Sometimes mom would let us miss school to spend time with everyone in Havana. Those were some really special days and I sure am glad I have those memories to put in my pocket and carry with me.*

“ I can remember her taking me to Hornsby's in Havana and buying me some shoes. and how she loved to dance and get us kids to dance with her. And when Tad turned 21 we spent it with her . I will miss her dearly.
