I met Bob when I worked for MetLife in 1996 so I looked him up because his mother Mary is a sister to my Grandmother Bertha Loveless . I serviced the county district hospital for a few years but retired from the state as an auditor for Revenue after 24 years with the state. Bob was the same age as my mother Rita O'Neal in high school from Palmyra near Carlinville , Rita passed 2011 and Grandmother Bertha in 1983. Rita Jones was mother's married name.

“ I spent many a Friday night taking football stats with Mr. K while I was in high school. Not only did he teach me a ton about the game, but also about patience and kindness. Whenever beer and pizza are on the menu for a Friday night, Mr. K fondly comes to mind. He will be missed, but what an imprint he left on so many lives!

“ *Mrs. K., you are in my thoughts and prayers. Mr. K was one of the best teachers and best people ever! I still remember him making me do math fundamentals in front of the class. Such pressure but made us all better math students--he's one of the reasons I became a math teacher. He would always bet Jenny Trimpe and I that we would lose our basketball games. He always teased us that boys were better than girls at sports. He was tough but so real and compassionate. I feel so blessed to have known him.*

“ *My mom and him were buddies and I always heard about him from my mom after moving away. Mr. K was like a big kid when you went into his 8.2 math class and you felt like you were with a friend in his class, although you knew when you were close to crossing the line. One things that sticks out in my mind about him is his great laugh.*

So Blessed to have you both as a youngster in my life, not only as teachers but as role models. Always a wave hello as a kid riding my bike by your home and a quick stop as I drove by as an adult. Never will forget all the great curbside conversations when I was home visting. Good Bless you Mrs. K , Sending you warm hugs across the miles.*
