“ *When I think of Sally I always think of her sweet smile and her loving hugs. She was so faithful in working at the Methodist Church when they were going there, and always ready to listen to anyone else's troubles. I miss her.*

I thank you kids for the devoted care you've given your parents. Hiram, bringing them down here without anyone to help you was such a loving thing to do.

I intend to be at the funeral, but the weather doesn't sound good, and I'm getting more cautious about being out in marginal conditions, so if I don't make it please understand.

With my love, Jane Armbrust
