“ Will miss Wanda. Many cherished memories. She taught me to golf - her and I would take off in golf cart-keeping away from Bob and Karl so Wanda could "sneak smoke". Sometimes I would have 2 cigarettes going-as the guys would pop up - think they noticed? We kept score our way - anything over 5 was a "freebie". Then there were the monthly poker games at Bub and Annies or our house or Karl and Wandas - The Highest pot was 4 to \$5 - guys were serious poker players but us women liked to talk - Then when our Vanessa got married - Karl and Wanda and Bub and Annie were host and hostesses - we even got Annie in high heels - she could even walk in them. We had lots of fun over the years - saw Wanda less and less past few years - my mistake - life is too busy - wish I would of taken the time to visit her more often. Many fond memories - rest in peace WANDA

“ *One of my favorite memories of Wanda was during a Middletown Homecoming when I was in middle school, or as we called it then, junior high. I was so light complected and my feet and ankles practically glowed in the dark. Wanda was chatting with me about a race I had just won and I looked at their tanned and beautiful body (and feet) and wanted to be just like her! I have always admired her determination and beauty. Fortunately for me, I have continued to be close with Phyllis over the years and can admire Wanda's determination and beauty through Phyllis.*

God bless the Bloomquist family as they process the sudden loss of a precious woman.
