Wanda was a very special person. She brought "joy" to everyone she knew. Wanda and I worked at Maple Lawn Homes together. We were friends for almost 20 years. When the weather was bad and she couldn't make it the 73 miles home from Eureka she would stay with me. I felt like she was my sister. We took many trips over those years too many to mention. Wanda had a wonderful family who took care of her to the end. It's only been a few days but I miss her already. I was so blessed to have her friendship. You can rest now dear Wanda. You're with our savior.
