“ It was always special to see Wanda when I came back to the church in Havana, She always had that warmth and smile in her eyes. I was only four at the time, but I still remember her smiling at the double ceremony at Easton's Baptist Church when she and my hero Bob were married. I have so many memories at their house, her parents, Vera and his dad. It was wonderful when she and Bob bought Smokey and our pony cart for their girls. It was devastating to learn how Sandy found her dad and then to see Bob in the Havana hospital. But Wanda prevailed as the wonderful Christian she is, and I can imagine the smile now on her face as she sees not only our Lord but her Robert as well. --Rod Lindsay

“ Dear Sandy, Diane, Robin, Richard and Donald,
It is a sad day for us even though we know that she is not sad today. No more tears for her. I have early remembrances of the way she "took me under her wing" on the school bus when I did not want to go to school. One time she and Bob took my sister Barbara and I roller skating at an old building in Greenview. We went upstairs and I had such a good time! Wish I could roller skate today! We were close for so many years. They even gave our children a pony. She appropriately named him "Prince Albert" They enjoyed him for many years. God bless you at this difficult time.
