“ *Just was informed of Bill's passing. I met him through my business and he was always willing to give a helping hand. He was a good man and will be sorely missed. I had tried to reach out a few weeks ago and didn't realize he had passed. I'm sorry I missed the funeral, because I truly respected Bill as a person and a friend. My condolences to the family and especially Alexis, your Dad will be greatly missed.*

“ *Bill was my brother in law for many years. I was only 13 when he married into my family right after my dad's passing. Bill really stepped up and became the man of our family, for which I will be forever grateful. I always loved Bill and I know he will be missed by many.*

“ My heart goes out to the family members. The last time I saw Bill he was driving a bobcat or something around Sandy Fielden's yard, and he let my grandson Bryan sit up there with him. It made his day. Thank you for that, Bill. Rest well.

“ Sending my heartfelt condolences to Bill's entire family. I did not personally know him but knew him through his sister, Barbara; I felt like I knew him. I know that Bill fought his battle with cancer long and hard. So sad to know he is gone. A life definitely gone too soon. Love, Connie and Rob Burns
