“ *Jan, Billy, Mike all the grandkids and Mary and family: So shocked,sad and sorry to hear about Bill's passing. I know he will be greatly missed by all of you and everyone who knew him. Bill was a great guy. I'm so glad I was able to spend all those younger years working alongside Bill. We were all quite the truckers in those days. What would we have done without our CB's? I'll never forget all the hours we spent together driving those old rough highway's in our Jimmy's. Our ole Buddy Racer made the job a lot more fun and pleasurable....(Fifthwheel to Racer...."Keep on Truckin")
We send our sympathy and Condolences,
Larry and Freta*

“ Billy- so many memories through all these 50 years of friendship.

Your Billy was our ringbearer and you were an usher in our wedding.

For, the past 30 years you, Johnny, Dave A, Dave C, Tommy & a few select others that you boys have let join in the famous "Board Meetings" on Wednesday nights- have solved all of life's problems over beer & pizza what a friendship!

Lots, of memories from Havana & Beardstown drag races and all the dances at Oakford Town Hall- etc.

You will never be forgotten our dear friend. Hoping, soon Jan & the kids can have smiles of memories to replace the tears that are flowing now.

You will be missed our friend & never forgotten!

“ Rest in Peace, My Friend. I am going to miss you. We had some great laughs together over the years. I will miss the jokes, the messages and the emails. Most of all, I'll miss you at our Honor Guard gatherings. When I would call the guys for a service, I would call you and Albert Stier first because you two almost always folded the flag for us. You did a fantastic job. When I would call, and if you had a commitment that kept you from attending, I'd go into panic mode. Uh-oh! Hope I can find someone to help. We laughed about that several times. I remember you and me trying to close a gun cabinet door for 15 minutes one day, until we found the simple solution. You made me laugh, Buddy!
