“ *I was so sorry to find out about Bill's passing. He was very special person as anyone that was around him knew that. I remember growing up on the farm and Bill lived down the road and we rode horses together many times. When I worked at the bank Bill would be outside on the corner bench many times with a warm greeting and smile. We were all blessed to have known him. My thoughts are with all the family.*

“ Dear Kathleen and your families-and Gayle:  
Bill had a lot of friends from Chandlerville! He has outlived a lot of them. Milton and I enjoyed his time around our feed mill. He knew customers and where they lived,etc. Milton said he opened many gates for Arthur Lee. Ha! You and your family have been very special to him and, of course, he was special to all of you. Our sympathy to all, Milton and Hazel
